

## **Together**

There's so much I want to do today  
I don't know where I should begin  
I'm not sure where I'm going  
I'm not sure where I've been  
Already I am tired  
Though I've not yet done one thing  
How can I make it through this day  
I'm really wondering

In the midst of all my worry  
As my day I tried to plan  
I heard the fathers invitation  
Reach up and take my hand  
Together we will walk  
I'm looking forward to this day will spend  
Together

My child let me lead you  
Look upon me with your face  
My child I will help you  
For sufficient is my grace  
I am all you're looking for  
And in me you will find  
The strength to meet the challenges  
That are troubling the mind

Considering my father's words  
I have peace within my heart  
In all that will occur this day  
I know my father has a part  
With my hand in his  
Together we will walk  
I'm looking forward to this day we'll spend  
Together

Is there much you want to do today  
You don't know where you should begin  
Reach up and take the father's hand  
Open your heart and let him in  
Trust in the lord with all your heart  
Don't rely on what you know  
In all your ways and knowledge him  
Straight will be the path he shows
