

Jesus is the Reason

CCLI Song No. 4657107

Key: D

Verse 1

Jesus' birth is the meaning
Behind this carol-singing
"Your King is born" the angels sang
with the glad news the heavens rang
Let us join in giving praise
In adoration our voices raise
"God with us" is the name
Of the Holy One who came
And made His home among us,
And made His home among us

Chorus

*Yes, Jesus is the reason
That we celebrate this season
God's gift to everyone
Is His own dear, precious Son
Yes, Jesus is the reason
Jesus is the reason*

Verse 2

Come down to us from His throne on high
This Jesus Christ was born to die
God gave His One and only Son
To save us, each and ev'ry one
Believe that Jesus came
And put your trust in His mighty name
He has paid for your sin
He will come and live within
He makes our hearts His home,
He makes our hearts His home
