

## **Happy Birthday Jesus**

CCLI Song No. 3486063

Key: C

### **Verse**

We are celebrating Christmas,  
The day that you were born.  
Our lives are not the same  
Because of that blessed morn.  
Without You there would be  
Only misery and strife.  
You have brought such joy  
And meaning into life.

### **Chorus**

*Happy birthday, Jesus,  
God's very own dear Son.  
Happy birthday, Jesus,  
We are so glad You've come.  
Your presence is the reason  
We rejoice this Christmas season.  
Happy birthday, Jesus,  
We honour You today.  
Happy birthday, Jesus,  
We honour You today.*
