

## **All Because of Jesus**

CCLI Song No. 4586780

Key: D

### ***Chorus***

*Not of my own*

*Does my salvation come*

*No, it's all because of Jesus*

*And all that He has done.*

*He loved me e're I knew Him*

*And all my love is due Him*

*It's all because of Jesus;*

*He is the only One.*

### **Verse 1**

I was lost and without hope

No way out could I see

Jesus reached down with pity

Took hold of and rescued me

Now I look forward to living

Each day God's mercies are new

Jesus walks beside me;

He will be with me my whole life through.

### **Verse 2**

My help comes from the Lord,

Who made the heavens and earth

He takes care of the little birds

Am I not of far more worth?

Though I am weak, my Lord is strong

And He is faithful to keep

Me. Watching o'er me day and night,

The Lord does not slumber nor sleep.

### **Verse 3**

Do you feel lost and without hope?

Does your life seem dark and grim?

Call on Jesus' name today;

Put your trust in Him.

Full of love and mercy,

He will hear your cry.

Jesus saves completely,

All you need He will supply.
