

More than a Christmas Presence

CCLI Song No. 3486070

Key: D

Verse 1

The first Christmas gift was Jesus,
The Lord came down from heav'n.
God, clothed in human flesh;
It is the best gift ever given.
Jesus walked here thirty years
But He had to go away
So He could send the Comforter
To be with us for all our days.

Refrain

*More than a Christmas present
Is Jesus gift to you
More than a Christmas presence,
God with us the whole year through.*

Verse 2

Now Jesus comes to live inside
Those who give their lives to Him
Very God makes man His home
No better gift has ever been.
Surely He is with us
The Lord will not depart
He has promised us His presence
The Holy Spirit in our hearts
