

Such a Good Shepherd

CCLI Song No. 4943536

Key: G

Verse 1

Jesus, my shepherd, meets all my needs
In sweet grassy meadows, content I will feed.
I lie down in safety; quiet waters are near
His peace fills my heart and calms my fears.

Chorus

*Such a good shepherd is Jesus to me
There is none other in whose care I'd rather be
With Him as my Master, I am at rest
Secure in His keeping, happy and blest*

Verse 2

On mountains high and in valleys low
My shepherd is with me wherever I go
He saves me from danger and keeps me from harm
By His awesome strength and powerful arm.

Verse 3

The Lord is my shepherd, mighty is He
From His glorious presence my enemies flee
He is always close by, oh what comfort it brings
Knowing He'll never leave; With joy I will sing

Bridge

One day I will see Him, face to face
And I'll live forever in His goodness and grace.

Ending:

Such a good shepherd is Jesus to me.
