

## **If We Walk in the Light**

*Based on 1 John 1:7-10*

CCLI Song No. 3260052

Key: C

### ***Refrain***

*If we walk in the light as He is in the light*

*We have fellowship with one another.*

*If we walk in the light as He is in the light*

*We will surely love our brother.*

### **Verse 1**

Jesus blood will purify us,

Wash us clean of every stain.

But if we claim we have no sin

Then all our guilt remains.

### **Verse 2**

The light of Jesus shines so brightly

All the darkness has to flee.

Then hidden things will be hidden no more

With the light of Jesus in me.
